

# CANDLELIGHTERS

CHILDHOOD CANCER FOUNDATION OF NEVADA

## SPONSORSHIP OPPORTUNITIES

**SEPTEMBER 17 • 8AM**

**EXPLORATION PEAK PARK IN MOUNTAINS EDGE**

# MISSION & HISTORY

No child should ever face childhood cancer alone.

Since 1978, **Candlelighters Childhood Cancer Foundation of Nevada**, has been doing everything we can to make children with cancer, their caregivers, and their brothers and sisters feel like part of our family, from the very first diagnosis through treatment, remission, recovery, or bereavement and beyond. **We reach out and light the way for these families by providing emotional support, quality of life programs and financial assistance** – support that allows them to stay focused on providing all the love their child needs at a time when they need it the most.

Candlelighters was founded in 1978 by two families, each with a child who had been diagnosed with cancer. Their hope was to use their own experiences with childhood cancer to help others on one of life’s most difficult journeys. Over the years, our dedicated volunteers and staff, many of them parents who have experienced firsthand the pain of childhood cancer, **have become family to thousands of Nevadans with a child who has been diagnosed** and is being treated for the disease.

This mission is what has brought together families, friends and community supporters to make the **Superhero 5k the most POWERful race in the Universe**, or at least in southern Nevada. By joining us and over 1,500 participants, you can assure that no child will ever face cancer alone. This is your chance to soar!

THE MOST POWERFUL RACE IN THE UNIVERSE!
