

OCTOBER NEWSLETTER

THANK YOU SUPERHEROES!

We are so grateful for the outpouring of love and participation for this year's Superhero 5K. We had our most successful event yet, thanks to all of our Superheroes uniting, from our super survivors and super siblings and their families, our sponsors, staff, volunteers, and the local community. We thank you all for showing up to help save the day and raise awareness and funds to support families facing childhood cancer. We hope you join us next year for the Superhero 5K on September 16th, 2023.

RECORD BREAKING YEAR!

The 2022 Superhero 5K was a record-breaking year! We sold out with 1,700 runners, over 151 teams, 32 local businesses at our vendor village, and over 200 volunteers helping from start to finish. This year's Superhero 5K was our largest turnout; it was a magical day! We are only 8% away from reaching our Goal and are taking donations through the end of September. This success was all possible from the hard work and dedication of the many heroes involved!

As the first and oldest local organization solely focused on children diagnosed with childhood cancer and their families, Candlelighters has been a beacon of light for families in southern Nevada for more than 40 years. Candlelighters is proud to serve approximately 400 families and 1,200 children, both siblings and diagnosed children, each year. In the last decade alone, it has provided nearly \$13 million in financial assistance, emotional support and quality of life programs and services to families in our community in order to help with the significant costs of childhood cancer including medical expenses, rent and mortgage, and travel for treatment.
