

2024 ANNUAL REPORT

At Candlelighters, we believe no family should face childhood cancer alone. Thanks to our dedicated supporters and community partners, in 2024, we have provided critical resources to 388 families navigating the unimaginable. Our impact is assessed not only in numbers but also in the comfort, relief, and hope we provide.

Families First

Over the past decade, Candlelighters has provided more than \$15 million in financial assistance, emotional support, and quality-of-life programs to help families navigate the overwhelming costs associated with childhood cancer. In 2024, Candlelighters raised \$2.53 million to further this mission and support families in need. For a comprehensive financial report, please visit our website.

A Year Of Milestones

Purchased Our Forever Home

Launched Young Adult Advisory Council

Began Angel Sibs - Grief Support Program

2024 was a transformational year for Candlelighters. We proudly purchased our building, securing a forever home for the families we serve. This new space allows us to expand programming and foster social connection and peer support—major levers to improving health outcomes for every member of the family.

"Since I was a Candlelighters kid during my treatment, I know firsthand how great of a foundation Candlelighters is for the kids and families it supports. I love being able to continue to be a part of the foundation and maybe pay some of the kindness afforded to me and my family forward."

~Kelsey, Volunteer

Candlelighters is more than an organization—we are a community united in hope and action. With your support, we have provided relief, stability, and compassion to families facing childhood cancer across Southern Nevada. Thank you!
