MISSION & HISTORY

Candlelighters Childhood Cancer Foundation of Nevada's mission is to provide emotional support, quality of life programs, and financial assistance for children and their families affected by childhood cancer with the goal of allowing them to focus on the journey, and most importantly, loving their child. The first and oldest non-profit organization in Nevada serving families coping with childhood cancer, Candlelighters was founded in 1978 by two families, each with a child in cancer treatment. They believed that families could find strength, knowledge, and comfort by banding together. Today, Candlelighters continues that legacy!

For over three decades, families, friends, and community supporters have rallied together to make the **Superhero 5K** one of the most beloved events in Las Vegas! Join more than **1,500 participants** as we unite in one huge mission: no family has to face childhood cancer alone.

FOR **40** YEARS, WE HAVE PROVIDED
**emotional support, quality of life
programs and financial assistance.**
