

February is a month of celebrating love. It's also a month to share awareness about how cancer touches all of our lives and how we can better support each other.

Whether you are a survivor, walked the cancer journey with a loved one, or experienced a loss because of this terrible disease, we are stronger together. Every single one of us can make a difference, big or small.

So please help us share awareness and help support the children who can't fight cancer alone.

March 1, 2023 • Dollar Loan Center Arena • 7:30am - 9:00am

At Candlelighters Childhood Cancer Foundation of Nevada, we're inspired every single day by the extraordinary kids and families we meet who are living with childhood cancer. They've inspired us so much that we'd like you to meet a few of them during our **4th Annual Everyday Extraordinary Breakfast!** This year, we're even having breakfast somewhere extraordinary – on the ice at the Dollar Loan Center Arena, home of the Henderson Silver Knights!

It will be a morning of celebration and inspiration, showcasing the stories of children and families affected by childhood cancer and honoring our selfless community partners who are a bright light during what can be one of the darkest moments in life.

It's a breakfast that is sure to brighten your day and inspire you to truly extraordinary things.

We need some extraordinary sponsors to bring this extraordinary event to life. If you'd like to help make this magical morning happen while getting your organization's name in front of thousands of our supporters, there are lots of ways you can help.
