

Happy New Year Volunteers!

As we head in to 2022 together, I hope one of your resolutions is to spend more time volunteering! January is traditionally our slowest month for volunteering (I only need birthday cards --available in the portal), but it is a time to plan all the wonderful things we have on deck for the coming year. I look forward to seeing our volunteer program grow together, and getting to know each of you a little better.

This month's volunteer newsletter looks a little different than usual, we're going to be taking a look back at 2021 to see all the wonderful impacts that you volunteers made here at Candlelighters. I invite you to send me an [email](#) to share you favorite memory of volunteering in 2021 OR what you're most looking forward to in 2022!

Cheers!

Laurie
